

AFTER Tuesday night's seven goal feast at Slough, Wycombe Wanderers travel to Topfield tomorrow (Saturday) where they face a Hitchin side that has lost its last three matches in the Rothmans Isthmian League.

Hitchin started the season with a bang and were in the top three for the first few weeks. Recently, however injuries have marred their progress and their last three matches against Enfield, Oxford and Hendon have all ended in defeat. Tuesday's reverse at Hendon was a little unfortunate as they conceded

the second goal in the sixth minute of injury time.

Four players are out injured at the moment. Jackett and Hodge are almost certain to miss the game while Howkins and Webb are both doubtful.

New signings at Hitchin this season include Andy Williams from Ilford, Gary Conroy from Loughborough College and Dave McCormick from Peterborough United. Former Wycombe full back Roger Grant has joined another ex-Wanderer at St. Albans, Phil

Wood, while tall striker Howard Kettleborough is now playing in the United Counties League.

Goals this season have been evenly shared with the diminutive Paul Giggle and target and Neil Bunker has also been amongst the goals.

Hitchins' probable team is: Williams, Clark, Archibald, Kettleborough, Martin, Conroy, Brothers, Armstrong, Giggle, Bunker, McCormick.

Wanderers are unlikely to make too many changes from the side that lost at Slough.

DIV. ONE (up to & inc 30/9/75)
